Warrant

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Randolph in the County (L.S.) of Coos in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Randolph Town Hall in said Town on Tuesday, the eighth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose by ballot, all necessary Town Officers for the ensuing year, including one selectman for three years, two auditors, one road agent, one library trustee for three years, one trust fund trustee for three years.
2. To raise \$2,125.00 to defray town charges for the ensuing year (i. e. \$1,350.00 for Town Officers' salaries, \$300.00 for Town Officers' expenses, \$475.00 for Town Reports) and make appropriation for same.
3. To raise such sums of money as may be necessary to repair town highways and bridges; that is, \$500.00 for highways and \$1,850.00 for snow removal and make appropriation for the same.
4. To see if the town will vote to raise \$1,800.00 for street lights, and make appropriation for the same.
5. To see if the town will vote to raise \$300.00 for the care of the cemetery and resetting memorial tablets and make appropriation for the same.
6. To see if the town will vote to raise \$800.00 for police patrol, to protect against theft, for the ensuing year, and make appropriation for the same.
7. To see if the town will vote to raise \$1,000.00 to assist town poor and make appropriation for the same.
8. To see if the town will vote to raise \$200.00 for the support of the Town Library and make appropriation for the same.
9. To see if the town will vote to raise \$300.00 for repairs and expenses of the Town Hall and other town buildings and make appropriation for the same.
10. To see if the town will vote to raise \$125.00 to advertise the scenic scenic beauty and accessibility of the Presidential Highway, which includes \$94.54 for the White Mountains Region Association.
11. To see if the town will vote to raise and appropriate \$200.00 for public recreational services in sharing with the R. M. C. the expenses of a caretaker for Crag Camp (\$150.00) and repairs and maintenance of Gray Knob Cabin (\$50.00).

12. To see if the town will vote to raise a sum of money not to exceed \$1,300.00 for garbage removal (i. e. \$75.00 for a suitable place for dumping garbage; \$50.00 for maintenance of the dump and \$1,175.00 for collection of garbage once a week during the winter and three times a week during the summer) and make appropriation for the same.
13. To see if the town will vote to raise and appropriate \$150.00 for maintenance of town reservations.
14. To see if the town will vote to raise and appropriate \$35.00 for maintenance and lighting of the honor roll.
15. To see if the town will vote to raise and appropriate \$75.00 for the insurance of town employees.
16. To see if the town will vote to raise and appropriate a sum of money not to exceed \$200.00 for the operation and maintenance of its Civil Defense Program.
17. To see if the town will vote to raise and appropriate \$300.00 for Fire Department.
18. To see if the town will vote to raise such sums of money as the State suggests to build Class V roads, State to pay \$151.70 and the town \$22.76 and make appropriation for the same.
19. To see if the town will vote to allow 2% discount on taxes paid before August 1 and 1% on taxes paid before October 1, 1960.
20. To see if the town will vote to authorize the selectmen to use unexpended appropriations at their discretion.
21. To see if the town will vote to authorize the selectmen to issue necessary temporary notes in anticipation of 1960 taxes.
22. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 20th day of February, in the year of our Lord nineteen hundred and sixty.

BERNIE H. REED
GORDON A. LOWE
ALMON E. FARRAR

Selectmen of Randolph

A true copy of Warrant—Attest:

BERNIE H. REED
GORDON A. LOWE
ALMON E. FARRAR

Selectmen of Randolph

Selectmen's Report

With a great deal of reluctance we accepted the resignation of A. Noble McClintock. Noble has served long and faithfully, 28 years as Town Clerk of Randolph.

While the winter of '58 was notable for natural phenomena, unusually heavy snows with resulting property damage, '59 will also go down in the Town's history as a winter of property damage, but for entirely different reasons. Not an act of nature, but malicious human behavior was the cause.

It has been many years since we in the Randolph area suffered such an outbreak of vandalism, theft and breaks in unoccupied buildings. The persons responsible for this have been apprehended by the State Police and are now serving time. Some of the stolen property has been recovered and returned to the original owners. However, the damage to property has had to be borne by the owners and insurance companies.

One of the results of this was the insistence by the State Police that the Selectmen appoint a town police chief whose regular employment did not take him out of town and who would normally be available. John Boothman was appointed.

Also it resulted in the Selectmen authorizing a greater expenditure for police patrol and other preventative measures. Except for the busy summer months an effort has been made to inspect unoccupied buildings at least once a week during the fall, winter and spring. New reward posters have been put up although the total amount of the reward offered has been reduced the wording has been changed to allow the individual with possible information, a greater opportunity to collect. So far no reward money has been paid out. This year's warrant carries a considerably larger appropriation for the police department.

This year a number of summer and year round residents have made additions and improvements to their homes, among these are the following:

Richard Andrews
Mrs. George Campbell
Lloyd Carpenter
George Dagle
Clifton Edgerly
Stephen Maddock
Eugene Martin
Frederick Phinney
Harry Sweet
R. L. M. Underhill

On behalf of the Town we welcome our new year round residents, Dr. and Mrs. Douglas Horton and Mr. and Mrs. R. L. M. Underhill to Randolph.

March 8, 1960 is Presidential Primary as well as Town Meeting day in New Hampshire. Randolph polls will be open for Primary voting from 9 a. m. to 1 p. m. Town Meeting will open at 10 a. m. and not close before 11 a. m. Randolph School Meeting opens at 11 a. m. It is hoped that as many as possible will remain for the School Meeting as new issues vital to the town tax rate are to be voted upon.

Budget of the Town

Librarian's Report

This year was a quiet one at the Library. Across the way Mr. Philip Maxwell, dealer in antiques and books, bought discarded copies from the Library. This gave us more shelf space for the active books.

On the White Mountains shelf the collection of 'Appalachia' is being kept up to date through the generosity of the Club. These publications are a popular part of the growing White Mountains collection.

NEW HAMPSHIRE STATE DEPARTMENT OF HEALTH

January 11, 1960

Mr. A. N. McClintock
Town Clerk
Randolph, N. H.

To the Citizens of Randolph:

During the year 1959, 28 visits were made to the Town. These visits were as follows:

Antepartum	2
Crippled Children's Services	6
Infants	14
Measles	2
Preschool	4
Postpartum	3
School	9
Sight Conservation	1

One child is currently attending the Orthopedic Clinic in Berlin and had been at Crotched Mountain Rehabilitation Center during the year; one child attended camp for Handicapped Children for one week this summer. Two children are currently attending the Pediatric Clinics in Littleton, and one child is receiving treatment at Hanover through the Maternal and Child Welfare Services.

It has been a pleasure to work with the Citizens of Randolph, and at this time I would like to thank them for their cooperation.

Respectfully submitted,

School Warrant

The State of New Hampshire

To the Inhabitants of the School District in the Town of Randolph qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said District on the 8th day of March, 1960 at 11:00 o'clock in the forenoon to act upon the following subjects.

1. To choose a moderator for the coming year.
2. To choose a clerk for the ensuing year.
3. To choose a member of the school board for the ensuing three years.
4. To choose a treasurer for the ensuing year.
5. To determine and appoint the salaries of the school board and truant officer and fix the compensation of any other officers or agents of the District.
6. To hear the reports of agents, auditors, committees or officers or agents of the District.
7. To choose agents, auditors, and committees in relation to any subject embraced in this warrant.
8. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school District officials and agents, and for the payment of statutory obligations of the District and to authorize for the application against said appropriations of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the District will vote to send eligible children to Kindergarten, at District expense, and further vote to raise and appropriate the sum of \$500.00 to cover the cost of tuition.
10. To see if the voters will approve a separate transportation route for kindergarten and primary grade pupils to Gorham, and will vote to raise and appropriate sufficient funds for said transportation.
11. If Article 10 is voted in the affirmative, to see if the District will authorize the school board to make a contract for three years for said transportation approved in Article #10.
12. To see if the District will vote to establish a capital reserve fund for the purpose of purchasing a new bus, and vote to place any unexpended balance from the 1959-60 budget in said reserve fund.

13. To see if the District will vote to send its secondary school pupils to Gorham High School on a contractual basis, said contract to last for three years, and to authorize the School Board to negotiate the provisions of the contract with the Gorham School District.
14. To transact any other business that may legally come before this meeting.

Given under our hands at said Randolph this 16th day of February, 1960.

FREEMAN HOLDEN, Chairman
JOHN CLARKE
CLIFTON EDGERLY
School Board

Budget for 1960 - 61

(Compared with Working Budget for 1959-60 and
Expenditures for 1958-59)

	Amount Spent 1958-59	Amount Spent 1959-60	Proposed Budget 1960-61
Salaries of District Officers*	\$ 100.00	\$ 100.00	\$ 100.00
Supt.'s Salary (Local Share)*	158.40	174.90	197.20
Tax for State Wide Supervision*	90.00	88.00	88.00
Salaries of Adm. Personnel*	99.10	105.70	115.40
Supplies and Expenses	1,268.33	90.00	100.00
Transportation	2,795.24	2,400.00	2,500.00
Tuition	12,683.96	14,133.00	12,505.00
Retirement*	7.28	13.70	15.30
Insurance, Treas. Bond & Expenses	7.00	10.00	10.00
Totals	\$ 17,209.31	\$ 17,115.00	\$ 15,630.90
Total School Budget	16,539.78		
Raised by Local Taxation	15,346.86	16,254.08	
Requested Appropriation, March 1960			\$ 15,630.90

*The starred items are required by law to be raised as determined by the proper authorities. The District determines the salaries of the District officers. The Supervisory Union Board decides the local share of the Superintendent's salary and other Union expenses. The share paid by the several Districts toward the Superintendent's salary for 1959-60 is as follows: Dummer, \$185.50; Gorham, \$3,672.90; Jefferson, \$466.40; Milan, \$545.90; Randolph, \$174.90; Shelburne, \$254.40. The State Treasurer also reports the amount of the per capita tax, while the Teachers' Retirement Board assesses the amount for the teachers' retirement and the State Employees' Retirement Association assesses the amount for the Superintendent's retirement and other District employees that belong to the system. In those towns that are under Social Security, the amount to be paid by the District is established by law.

The amount of appropriation requested will be reduced by the amount of balance left at the end of the year and by the amount of state aid due the District.

Report of the Superintendent

To the School Board and Citizens of the School District of Randolph:

The reason that the same foreword is repeated in the Randolph report as in Gorham, results from the fact that all of the pupils go to school in Gorham, except a small number who might attend the area school in Berlin. Problems that affect the Gorham system, or changes that are made in their schools likewise affect the students and parents in Randolph.

I am now completing my fifth year in Gorham as its superintendent and I would like to take this means to review the progress made, if any, and to express some feelings about my experiences during that time.

When I arrived to take over the position on May 1, 1955, the District had just voted to construct the new elementary school building and had authorized a bond issue of \$275,000.00. The site had been purchased, which I feel has proved to be a good one from the standpoint of centralization. Only time will tell if the high water that concerned so many will ever bother us. The School Board had also just awarded the bid for a school bus, the first to be owned by the District. Plans for the new elementary school were completed during the early part of the summer of 1955 and contracts were let for the site development and construction of the building. The building was completed during that year and summer of 1956, and the pupils occupied the structure in the fall of 1956. Transportation services, as well as increased janitorial help, were added during this school year.

During the school year 1956 and 1957, Gorham participated in a North Country testing program that covered both achievement and intelligence tests. We have followed the same principles of testing since that time and have added other types of tests, particularly on the secondary level. During the month of October 1957 a guidance workshop was held for the teachers of Union #20, which I feel has been of great benefit to all—students, teachers and parents. At the annual meeting in March of 1957, the proposed cooperative school district with Randolph and Shelburne was voted down decisively.

A full-time art supervisor and a guidance counselor were added to the system in the fall of 1957. The expense of this latter program was shared with the State Department of Education for three years. Starting this coming fall, Gorham has to bear the full expenses of the program. It is planned to have the guidance counselor teach some courses allied to his field.

A committee was authorized at the 1957 District meeting to study the needs of the high school and to make necessary recommendations at the next annual meeting. A \$205,000.00 bond issue was authorized at the 1958 District meeting to construct an addition to the high school and Ann Lary buildings. This addition included two new science rooms, a new shop, an enlargement of the gymnasium, new locker rooms, a new activity room that could be used for a cafeteria, remodeling of the old shop into a new home economics department,

remodeling the old home economics room into an art workshop and classroom, and installation of a new and more efficient heating system. Construction on this addition started in June 1958 and was completed in March 1959. Full use of the facilities was not possible until September of 1959. A rearrangement of teacher assignments made it possible to add four years of physical education without adding to the size of the staff.

I feel that I should stop at this point and express my appreciation to the citizens of Gorham and also, at this same time, to congratulate them. Even though these changes were effected for the most part during my five years here, the only credit I can take is for pointing out what I felt were apparent needs to improve our system. The District was fortunate in having school boards and advisory committees that were forward looking and willing to express their convictions.

The voters of the District are to be congratulated on the fact that they have supported the changes, even though there has been some concern about the higher real estate taxes. I would have to be totally oblivious to outside stimuli if I did not recognize the fact that some individuals feel too much money is being spent on the education of our young people, and directly or indirectly point toward this office as the cause for the added burden. However, "good education costs money," the same as anything else, and there is no better investment in the future than in our young people. I am most appreciative of the fact that the changes have been supported by the majority of voters and I feel confident that the added services will prove themselves, as has been evidenced by the quality of our programs, both in and out of the classroom.

Locally and nationally, I feel that more financial aid from a broader base tax will be necessary within the next few years. Our democratic ideals sponsor the principle that the needy are helped by the wealthier. This means that more state and federal aid must come from the localities that are financially able to help the less fortunate. Our mobile population today only means that a majority of the people educated in one area will move from that area to others during their lives.

The new decade will bring with it new challenges and new problems. It is estimated that enrollment in our public schools will go up by twenty percent during the next ten years throughout the nation. This increased enrollment will mean that our graduates at the high school level will face a more difficult time in going to the college of their choice, or, for that matter, to any college at all. Colleges are likewise feeling the financial effects of the increased enrollments at this early date. High scholastic standards will be necessary for all students who plan to go on to post-secondary schools. These same higher standards will be demanded of the graduate going into a vocational field upon graduation from high school. The local opportunities at the present time are more limited and greater selection can be made by employment officers, and those graduates who leave the "north country" will find far greater numbers to compete with elsewhere in the labor market.

The advance of automation and technology will bring about a greater demand for skilled technicians during the next decade.

Schools and their personnel are faced with the problem of more and better training in the area of citizenship and morality. The church, the family and the school must work together to bring about an improvement in these areas if we are to rub out the stigma of the so-called "juvenile delinquent" and the "problem teenager."

I don't feel that I should conclude this foreword without mentioning some of our local problems that we must attempt to meet and solve during the next decade. To aid in achieving and maintaining higher scholastic standards, it is recommended that we have a full-time science teacher in courses for the college or technical student. This will enable the principal to assume full-time responsibilities for his administrative position. My views, and those of the School Board relative to this change, are stated in other sections of this report. We are going to be faced with the problem of being able to secure and keep good teachers. The increased enrollments, the willingness to pay, and increased opportunities elsewhere are a few of the reasons why this problem will remain with us. Constant vigil of our present programs will be necessary, as well as an evaluation from time to time of our progress. We must keep up with the ever-changing demands on and by our young people.

In closing, I feel that parents have got to take a more active role in demanding higher standards of our school and more especially of their children. The time has come and gone when schools are a place for people to attend when there is nothing better to do. One thing that has been a discouragement to me as a school administrator is the lack of interest that parents take in school and records of their children while in school. This has also carried over into the field of school activities.

Previous to this year, students in dramatics, band or in the chorus were fortunate if there were as many people in the audience as on the stage. One of the things that has given me the most satisfaction since my arrival in Gorham was the audience that attended the Christmas concert this year. The reception of the program by those who attended has certainly given our boys and girls a deep feeling of appreciation and confidence. Programs of this type take time and energy, but I am sure that all agree the quality of the program and the results were well worth the efforts. Parents can do much to help the school in these endeavors, as well as in the demands of the classroom on your boy or girl. Expect and insist that your child do his best and if his record is not satisfactory, talk the situation over with the teachers or others of the school staff. Generally, people, including our own children, will do about what we set up for standards.

Warrant

Action will be taken on special articles calling for money to send each child to kindergarten at District expense prior to entrance into the first grade and establishment of a separate transportation route for kindergarten, and grades 1, 2 and 3.

The fact that Randolph children do not have kindergarten experience puts them at a disadvantage when they enter the first grade. Nearly all the children in Gorham have gone to kindergarten which means they have already learned their numbers and letters; they have started to count and have learned to get along in a school situation. I am sure that if the Randolph children could have these same advantages, fewer would be retained in the first grade and it would help them to keep up with the other children in the work prescribed for that grade.

The plan for a separate transportation system for the lower grades would be tied in with the kindergarten program so that the children in the kindergarten and grades 1-3 could leave home later in the morning or get home earlier at night. The necessity of having a long day at the high school creates a hardship on the young children who are not used to this new experience. I think all of us will agree that the District can afford this service, and I am sure that it will greatly affect the school work of the children.

A third special article calls for the District to authorize the School Board to enter into a tuition contract with the Gorham School District for secondary pupils. The reasons for this request are as follows: under a contract arrangement with Gorham for tuition purposes, the high school in that District becomes the high school for Randolph, thus making it compulsory for students to stay in school until they are sixteen years of age. (At the present time this is not necessary due to a loop-hole in the school attendance law.) It will also protect the District in that tuition payments to another school will be limited to what is charged in Gorham and if students go elsewhere to school the parents will pay the balance. This will not be an exclusive contract and if parents or students wish, the child can go to another secondary school. The contract will be for a three year period with the tuition rate being established each year according to state law.

BUDGET

The basic budget for 1960-61 requested by the School Board is \$15,630.90 compared with \$17,155.00 for the current year. This is a reduction of \$1,524.10 due to a decrease in the number of pupils who will be going to school next year. However, the amount could be increased if the plan for sending children to kindergarten is approved and a second bus route for primary grade pupils is established. It is expected the budget will not be much larger than last year, even if these two additional services are added.

TUITION

This year 15 pupils started in the high school, 6 in the junior

high school and 27 in grades 1-6. Since the beginning of the year one high school and seven elementary pupils have moved from town. This leaves 14 high school pupils, 6 junior high students and 20 elementary pupils attending school in Gorham. Next year the total will be about the same, with 23 pupils in grades 1-8 and 14 in the high school. The tuition rate is established as follows:

By law the tuition rates are established as follows: the receiving District can charge the state average costs for the previous year or its own per pupil cost, whichever is lower. Transportation and tuition items are not figured in determining these costs. The following are figures for costs for the past year, 1958-59:

	State Ave. cost	Gorham's per pupil cost
High School	\$399.00	\$415.44
Elementary	262.00	239.04

In addition to these figures, \$399.00 for high school and \$239.04 for elementary, a 2% rental charge is allowed by law for capital expenses.

The rental charge for the high school figured out to be \$19.99 per student and in the elementary grades the figure was \$14.52. The Gorham School Board rounded off the rates as follows for 1960-61:

High School	\$415.00 (\$20.00 more than last year)
Elementary (Gr. 1-8)	\$255.00 (Same as last year)
Kindergarten	\$125.00 (Same as last year)

The above information was reviewed and approved by the Randolph School Board.

Calendar

By law school must be in session for 180 actual school days, starting in September 1960. This will mean a shorter Christmas vacation and a possible later closing day in June, depending upon the number of times school has to be called off due to bad weather.

SCHOOL CALENDAR 1960-61

 Memorial Day—May 30

CONCLUSION

I wish to thank all the citizens of Randolph, the School Board, bus driver, students and parents for the interest they have in our schools and wish to say that it is a pleasant experience to work with all of you.

GORDON R. TATE

Superintendent of Schools

A. N. McCLINTOCK, Town Clerk

A Profile of the White Mountains Region Association

WHAT IS IT?

The WMRA is a voluntary, non-profit organization established in 1928 to promote the growth and prosperity of that section of New Hampshire known as the White Mountains Region which includes the towns of Albany, Bartlett, Bath, Benton, Bethlehem, Campton, Carroll, Chatham, Clarksville, Colebrook, Columbia, Conway, Dalton, Dummer, Easton, Ellsworth, Errol, Franconia, Gorham, Hart's Location, Haverhill, Jackson, Jefferson, Lancaster, Landaff, Lincoln, Lisbon, Littleton, Lyman, Milan, Monroe, Northumberland, Piermont, Pittsburg, Randolph, Shelburne, Stark, Stewartstown, Stratford, Thornton, Warren, Waterville, Wentworth's Location, Whitefield, Woodstock, and the city of Berlin.

WHO ARE ITS OFFICERS AND DIRECTORS?

President: J. Arthur Sullivan, Berlin; **Vice Presidents:** George T. Noyes, Bethlehem, Frank D. Silvey, North Conway, and Alf Halvorsen, Berlin; **Clerk:** H. Holland Whitney, Jackson; **Treasurer:** Arthur Drake, Lancaster; **Directors:** Reginald M. Colby, Littleton; John H. Boothman, Randolph; Leonard Vancore, Colebrook; Randall E. Spalding, Whitefield; Wilbur M. Schurman, Lancaster; Joseph B. Dodge, Conway; Henry C. Waldo, Lincoln; Richard R. Rutherford, North Haverhill; Vernon R. Hawes, Pittsburg; and Enzo Serafini, Sugar Hill. **Executive Secretary:** Donald E. Sanborn, Jr., Lancaster.

WHERE IS IT LOCATED?

Its business office is in the National Bank Building, 5 Middle Street, Lancaster.

WHAT DOES IT DO?

Through its officers, directors, committees, town councilmen, and executive secretary, and by means of publicity and promotion, it works to improve those conditions upon which the North Country's economy depends.

SUCH AS?

The North Country's principal economic factors are industry, recreation and agriculture. Anything that contributes to the welfare and improvement of these general areas of business is the concern of the WMRA. It works independently and in cooperation with various trade associations, chambers of commerce, clubs, and local, state and federal agencies. Some recent WMRA activities include petitioning the Civil Aeronautics Board to reconsider its recent findings on air service to Berlin and North Conway; attendance at travel and sports shows in Springfield, Massachusetts, Hartford, Connecticut, and Montreal, Quebec, to sell the White Mountains Region to out-of-state tourists and sportsmen; contributing cash and prize awards to deserving North Country 4-H'ers; helping develop the New Hampshire page in the "Travel U. S. A. 1960" portfolio; setting up and conducting an industrial realtors' tour of the Region; answering hundreds of inquiries monthly and publishing and distributing six different folders annually (approximately 100,000 copies total) to promote travel to the Region.

IS THIS ALL?

No, indeed. These are merely representative activities. If you wish further information, we will be glad to send you our annual report, or discuss the matter with you personally.

January, 1960

DONALD E. SANBORN, JR., Executive Sec'y.
